Missionary of the Week - Gaudet

Please pray for Rick and Bev as they continue their ministry in Telfs, Austria. Four weeks ago we began our weekly Bible study in the Gospel of John with Gail. Gail is the American woman Rick met at the rehab center in April and a Gospel singer, who doesn't really know what the Gospel is! We were studying John, chapter 1 last week and telling her why John called Jesus "The Word". Tears streamed down her face and she began to sob. Please continue to pray for her spiritual state as well as her physical since she also suffers from MS.
